

CMBHA Newsletter September 2017

A new CMBHA members' 10% Discount on Food at The Mulberry **begins on Friday 15th September**. A valid, **current membership card MUST be produced**, no matter how often you've been there or how well you know the managers or the staff. The discount applies to **food only** and **not drinks** of any kind.

Tickets for our End of Season Dinner Dance are selling briskly. You can reserve yours by contacting Kate Kenwright or buy them at The Mulberry Stores in Conwy Marina. CMBHA members can buy up to 6 tickets at the special price of £35 per person.

Restart a Heart – help someone that's having a heart attack! There was an incident at the marina a few weeks ago that had a good outcome, thanks to the actions of marina staff. CMBHA is providing half-hour training sessions on Sunday 15th and Monday 16th October, depending on demand. Please let us know your preference as soon as possible, either by emailing info@cmbha.net or using the form on our web site www.cmbha.net

We hope to have the web camera fixed soon. Livetech are looking at it today.

It seems that the wifi in the marinas has improved and you now don't have to put in your voucher code each time you use it.

We hope to have some 'presentations' or workshops over the winter. Please send suggestions to info@cmbha.net to help us know what might be popular.

Summer Lift-out package – this is coming to a close and is unlikely to be repeated next year due to declining demand. What would you like to see offered? Again, please put your suggestions on the back of a virtual postage stamp and send them to info@cmbha.net

On-going news and discussions – see what's happening on our Facebook group Conwy Mariners <https://www.facebook.com/groups/153158554758121/>

You've obviously read this newsletter, but have your friends read it? We use MailChimp to send out newsletters so we know that the newsletters are opened by about 75% of recipients. Can you help us to find out why the other 25% don't open them?

Best regards

Roger Millward, Chairman

On behalf of your hardworking committee
