

Roger, good afternoon.

Thank you for passing on the letter from the CMBHA in response my letter of 27th June.

It is clear that all of us are reeling from the lockdown period and the points which the Association has made are understandable. We genuinely appreciate the frustrations which have been caused.

I think all of us are keen to push on and make the very best of the remaining boating season and I am sure that Jon and the Conwy team will be keen to support any CMBHA social activities over the next few months.

Kind regards,

Simon

Simon Haigh, Operations Director, Boatfolk
