

Free-form discussion after the AGM Meeting – this is not part of the AGM and not usually formally minutes

Suggestions for other activities, probably using Zoom

- Invite Tom Cunliffe to give a Zoom chat (in addition to being guest speaker)
- Knots and Splices
- Keeping website up to date – Don Quillam has volunteered to do this. Roger will liaise with him.
- Showing Keith's chart plotter – it's use
- Panel discussion about 1/2/3 day trips - experienced sailors
- Advice on general navigation - especially for new boaters
- Discuss with other groups, RYA, etc what they are doing during this period of lockdown. RYA have an e-sailing app. NWCC are hoping to run the RYA virtual regattas. Quiz
- What are other berth holder associations doing?
- Suggestion that we get Zoom (professional version) that allows committee meetings remotely; subject to checking the constitution.
- RYA are offering a free app called virtual regatta. Mike Ousbey will assist in setting this up.
- Discussion about the extension of the marina 'rebate' scheme.
- Suggestion that we have a committee meeting in a few weeks Sat 16th May at 10:00 am – was agreed.
