

August Bank Holiday Newsletter

On Sunday morning, we are providing a FREE late breakfast **Bacon Roll** between 10:30am to 11:30am on the main pontoon for members and their crew. One of our members is providing the use of a gas barbeque and CMBHA is providing bacon and rolls – we do need to know how many are needed. This will only go ahead if there are enough people interested. **So Please, Please email info@cmbha.net before 7pm on Thursday 26th August if you are interested**, stating how many people in your crew desire a roll on Sunday morning and whether you are able to help with cooking. We'll provide one bottle each of brown, Frenchie and tomato sauces – please bring along anything else you may need – food donations are welcomed. **This will only happen if enough people are interested.** Chefs will be expected to wear masks so they can't be blamed later for their cooking and everyone else should be socially distanced.

Sunday afternoon also looks promising for a trip around to Llandudno. The gate opens at about 13:30, so I and a few others will be leaving the marina at about 2pm and using what remains of the north channel to get to the Great Orme and round to Llandudno. It will be at a leisurely pace whilst keeping a close (not closed) eye on the depth sounder. You are very welcome to join us – no need to 'book' it though. This could be a good opportunity for newbies and people that have yet to turn right out of Conwy.

Proposal for Shellfish Farm off Puffin Island. The request for comments was issued at very short notice by RYA Cymru Wales and our response has been acknowledged by them. CMBHA will continue to monitor developments and put forward any responses from our members at the various meetings we attend with other local marine organisations as well as updating our members with further developments.

In terms of what else is on around Conwy, it's worth looking at [What's On - Visit Conwy](#) to find out about stuff like the Goldwing Light Parade, The Cambrian Rally, and the Conwy Marathon. They're also going wild at RSPB Conwy [The RSPB: Events: Big Wild Summer at RSPB Conwy!](#)

We hope to see you on Sunday morning. Thank you for your continued support.

Kind regards,

Roger Millward
