

CMBHA

conwy marina berth holders association

Newsletter – New Website

23rd April 2022

So, what do you think about our new web site at www.cmbha.net? It went live last Friday afternoon and has a web camera looking over the marina. More features that can be accessed by members will be added over the next few weeks. Please let us know what you would like to see.

This new version is 'responsive' so it now works really well on smart phones, tablets as well as computers.

After you log in, you can view your membership card: the membership fee is still only £10, so please click that Renew button if it's out of date. It's a very cost effective £10 and provides access to a range of benefits, including discounts and CMBHA events.

The weather is currently looking promising for our BBQ at the Gazelle on in the Menai Straits on 30th April. Please complete the form on the website (see latest news article) or contact Ian directly at ian@norgatetelecom.co.uk if interested in going: there are still some places available.

Best regards from

Roger Millward
Chairman CMBHA
on behalf of your committee
