

CMBHA has booked places for a BBQ at The Gazelle Hotel at Glyn Garth on the shore of the Menai Straits, starting at about 6pm on Saturday 27th August 2022.

If the weather allows, you can get there by sea. The Conwy Marina sill gate opens at 08:55, high tide is at 11:54. Although the marina gate closes at 15:01, it re-opens at 20:57 so you can get back in time for a quick drink at the Mulberry; unless you are staying out for the night.

You can also opt to drive there, especially if the weather deters you from travelling by sea. There are buoys right outside the Gazelle but use of them is frowned upon if you use one when the owner isn't there.

The event is being organised for CMBHA by Ian Dickman, boat SULU on H leg, phone 07866 605921, email ian@norgatetelecom.co.uk, or message him directly using WhatsApp. Please contact Ian to book places or if you'd like to discuss the practicalities of attending. You will need to pay the Gazelle for the BBQ, costing £18 per person and places are limited.

A regular meeting with Boatfolk local management took place on Wednesday 10th August. The minutes have now been approved and are available on our web site – you'll need to log in to view them. The meeting was attended by John Day, Don Quilliam and Roger Millward from CMBHA and Jon Roberts and Phil Jones from Boatfolk. The minutes are [here](#)

CMBHA and WhatsApp – over 60 members have joined our WhatsApp group. It's been great for short discussions and seeking members' opinions. We recently used it to discuss the agenda for the meeting with Boatfolk and we'll probably use it to discuss updates for the BBQ. You can join the Group from this page within the Members menu heading on our website [WhatsApp Group - Conwy Marina And Berth Holders Association \(cmbha.net\)](#). You'll need to log in because this Group is for CMBHA members only.

Boatfolk Summer Offers

Slingwash - Save 50%. This includes:

- lift out of water
- jet wash underwater hull
- hold in slings for up to 1 hour
- launch

Two-week turnaround - Save 50%

Boatfolk has increased the one-week package, to a fortnight and reduced the price! Lift out, jet wash underwater hull, set down with up to 2 weeks ashore, and re-launch. This offer is valid from 1 August to 30 September 2022, by when all lifts should be completed. Hardstanding ashore is limited to two weeks. Should your work overrun, and you require longer ashore, any additional storage will be charged at the standard rate. The offer excludes boat tows.

Boatfolk's Marinafest will be on 3rd September so look out for information in their newsletter.

Best regards,

Roger Millward
Chairman CMBHA
on behalf of your committee
