

CMBHA September 2022 Newsletter

A Fish and Chip Evening has been booked at Conwy Golf Club starting at 7m on Friday 7th October. The cost is £11.25 per person with no discount for children or pensioners. We're hoping the meal will be followed by lots of mingling and chatting and we might be able to fit in a session on nautical knotting. You can book and pay on our web site by using [Fish and Chips 2022 - Conwy Marina And Berth Holders Association \(cmbha.net\)](https://cmbha.net/Fish-and-Chips-2022-Conwy-Marina-And-Berth-Holders-Association).

The golf club cannot guarantee that the meal can be gluten-free. There are only a limited number so please book soon to avoid disappointment. Ian Dickman is organising the event and can be contacted on 07866 605921.

Our WhatsApp group was very active after the recent fire at the marina, and it allowed members to get rapid updates. It's easy to join and to use – there's a page about it on our web site at [WhatsApp Group - Conwy Marina And Berth Holders Association \(cmbha.net\)](https://cmbha.net/WhatsApp-Group-Conwy-Marina-And-Berth-Holders-Association)

Or if you're viewing this on a smart phone, just click this link to join the group [WhatsApp Group Invite](#)

Boatfolk's management of the recent fire was generally thought to be exemplary, judging by conversations on social media and the pontoons, so CMBHA wrote to Boatfolk praising the work of the local team. We had a response from Boatfolk – our email and the response are on our web site.

Inflation is nibbling away at CMBHA coffers. We'd like to keep next year's membership fee at the £10 that it's been for over a decade. So new members now have the option of buying a burgee for £7.50 and existing members can replace their burgee for £15. Current membership numbers for CMBHA are healthy but many costs are increasing. Your committee would like to hear from you if you'd like to help increase our membership numbers or help arrange CMBHA events. Please, contact info@cmbha.net if you are interested.

What else would you like over the autumn/winter? Please let us know what you'd like organised e.g. tour of a local distillery, sessions at the pub about fishing/safety or other boating topics.

Best regards,
Roger Millward
Chairman CMBHA
on behalf of your committee
